ORDER:-

With a view to encourage and promote the sport of Cricket, Government have allotted 23.27 acres of land in favour of Hyderabad Cricket Association in Sy. No.1 of Uppal Kalan Municipality in Ranga Reddy District for construction of Cricket Stadium on lease basis with certain terms and conditions vide G.O's. 1st & 2nd read above.

2) In the G.O. 3rd read above, Government have brought out a new Government Land Allotment Policy thereby the land allotments already made shall be reviewed regarding compliance of conditions of allotment and all departments shall submit reports of such review to the APLMA for appropriate action.

3) As per the instructions of Government , the VC & MD , SAAP has conducted an enquiry into the affairs of Hyderabad Cricket Association and found serious irregularities and violations of the land lease agreement for the last several years . These include entering into contracts and transferring rights without the previous sanction of Government (Violation of Para 3 of land allotment order), the land allegedly used for activities other than cricket and club house including alleged marriages, audio release functions and dinners and other commercial activities (violation of para 4), the structures are built and erected without previous sanctions from District Collector (violation of para 7), entering into agreements with other parties including IPL without prior approval (violation of para 10), entering into effective sub lease and commercial agreements with various organizations which is against the spirit of allotment of land on lease i.e., for promotion of sports. Further, they are collecting a large number of the passes complimentarily which also are expected to be worth lakhs of rupees and the same are being distributed as a largesse in a non transparent manner. Most importantly in an event where 30,000 to 40,000 people are coming wherein the land is owned by Government no structures are permitted without prior approval of District Collector (in turn now SAAP in view of latest Land Management Policy as well as GO replacing District Collector by Prl. Secretary, Sports and Prl. Secretary Finance) the same is not adhered to. If any accident happens Government through Sports Department will be held primarily accountable. Hence vide reference 4th read above , VC & MD , SAAP has proposed to constitute a Coordination Committee whose clearance is mandatory for the conduct of major National/International Tournaments at Rajiv Gandhi International Cricket Stadium.

4) Government after careful examination of the above hereby constitute a Coordination Committee with the following members in the best interest of public safety and security for conduct of all major i.e. National/ International Cricket Tournaments at Rajiv Gandhi International Cricket Stadium, Uppal, Hyderabad.
